**Ellen Catalan-Aquino, MD joins Floyd Valley Hospital Medical Staff**

Floyd Valley Hospital Administrator Mike Donlin announced that Dr. Ellen Catalan-Aquino will be joining the medical staff at Floyd Valley Hospital's Family Medicine Clinics beginning in August of 2011. As a board certified family physician, she will provide all facets of family healthcare services, but Dr. Aquino has a strong interest in women's health including obstetric care.

Dr. Aquino brings a wealth of education and experience with her. She earned her undergraduate, graduate and medical degrees as well as completing a residency in the Philippines. Dr. Aquino completed an additional residency in Family Medicine at Eastern Virginia Medical School where she is currently a faculty member as well as her own private practice.

Donlin states, "We are excited to announce an addition of a Dr. Aquino to our clinic. She has the experience and skills to hit the ground running and provide excellent care to our patients. We think Dr. Aquino, her husband Albert and their 9 year old daughter Allie will be a great fit for the communities we serve."
